Re: ***1 Carrington Street
Lincoln, Rhode Island***

Dear Mr. Gardner:

Pursuant to our earlier conversation, I have been assigned to work with you and your agency to complete the matters regarding the referenced property.

To this end, we have reviewed the Administrative Order on Consent for Removal Action and agree to perform removal of asbestos according to the Asbestos Abatement Plan previously forwarded to you, a copy of which is enclosed.

We anticipate making a selection for a licensed asbestos removal contractor by week's end, and will keep you contemporaneously informed of our selection and the commencement and progress of work.

If you have any questions, please feel free to call.

Respectfully,
THE PROCACCIANTI GROUP

Michael Liberatore
